Our town is fortunate to have a great library that continues to be the hub of our community. Under the leadership of our director and staff, the library is a place to learn, connect with others, and enjoy a variety of programs for youngsters, teens, and adults.

Thanks to your generous support, in 2016 The Friends of the Little Silver Library were able to:

- Complete a major redesign and renovation of the staff office and storage area.
- Partner with Sickles to provide plantings for the Wi-Fi patio.
- Purchase wooden end caps for shelving.

Projects for 2017 include a refurbishing of the library's foyer, the design and purchase of new computer stations, the continued upgrading of shelving, as well as the purchase of fencing and umbrellas for the Wi-Fi patio.

We hope that you will kindly donate to the Friends so that improvements to our town library can continue. We are an IRS 501(c)(3) charitable organization. Tax ID #22-3607622. Please make your check payable to: **The Friends of the Library Association of Little Silver.**
